In most aspects of the beauty field, there is a great deal of standing, walking, pushing, bending, and stretching for extended periods of time. A person must consider his/her physical limitation in terms of making a career choice that involves extensive physical demands. We promote the acceptance of students with physical limitation or disabilities if these students (their parents or physicians) believe they can fulfill the training demands.

Sec. 1101 e seq.).

Attendance Status

Full-time students are required to be enrolled and attend a minimum of 30 clock hours per week. Part-time student enrollment requires a minimum of 20 clock hours per week. Less than 12 clock hours per week is defined as less than half- time enrollment status.

31 Attendance and Tardy Policy

Each student's presence is important to American Beauty College. Thus, daily attendance is essential to the success of each student as they are preparing for excellence in their programs and later in the Beauty industry. Tardiness is considered unexcused time, as it portrays unprofessional behavior.

All American Beauty College Students are to be seated in their assigned classroom, clocked in, in uniform and ready to begin with their class work when roll-call is in place. If the student is not physically present in the classroom during their regular scheduled hours, the student will be considered tardy. This includes remaining on campus until their scheduled hours have come to an end.

Every student's attendance, including tardiness is monitored closely in order for the student to maintain and comply with the school's satisfactory progress requirements.

Attendance must be maintained at an average of 67% of the scheduled attendance. The student may be expected to complete the course of study within the 150% of the period of time stated in the enrollment agreement. If the student is absent 14 consecutive scheduled school days, the school will withdraw him/her unless a Leave of Absence (LOA) has been granted. The attendance registrar will review excessive tardiness and/or absences with the student to determine possible corrective action. Student hours and operations once properly earned by the student will not be taken away from the student's records based on disciplinary actions by the school.

All students are expected to be in class every day. In the event that an absence is necessary, a student must call the school to report the absence that same day and prior to beginning of class. Providing documentation for an absence, such as an emergency or medical condition should be provided.

A student is both in class and at school, or they are absent. If a student is found to be off campus for more than their allotted break time they will be clocked out for any excessive time. It is highly advisable for all students to strive for an attendance average above 67% and academic achievement above 70%.

Theory and practical hours are daily. There is a (5) minute allowance for unexpected tardy(s). If a student arrives after 8:36am or 5:36pm, that student will not be allowed in the classroom or able to clock in until one hour after their start. Notices of non-compliance with the attendance/tardy policy may be in a form of an advising/counseling report given when a student is in jeopardy of exceeding the percentage of prescribed hours for successful completion of the student's program. (*see SAP Policy for clarification)

Day class students are allowed (2) 10 minute breaks, and (1) 30 min lunch at the Instructors approved time. Night class students are allowed (2) 10 minute breaks at the Instructors approved time.

Make-up Policy

ABC does have a set attendance make-up policy. Students may make up hours on a predetermined date/time by the school. Make-up tests are taken on a date assigned by class instructors or management if a student is missing or failing a test.

Class and Practice Hours- Credit Procedure

Students at ABC record their attendance hours on the school's Fingerprint System which is used to clock IN at the start of the day and OUT at the end of the class day. This system is also used to clock IN and OUT for breaks/lunch. Students at ABC record their theory and practical procedures on operation cards that must be signed by the student and an Instructor at the end of each day. Students who fail to adhere to this policy may risk losing hours at the discretion of the instructor.

Students receive credit for each hour they spend in the class or practical assignment verified by an instructor.

Students receive credit for operations and/ or completed projects verified by an Instructor. The daily hours and operations earned are recorded on the weekly operations card. A report is posted every week with the accumulative clock hours for each student. At the end of the week, a new weekly operations card is prepared by using data from the prior weeks' operations card. ABC is a clock hour school; no credit units can be applied or earned.

Operations cards must remain in the school at all times. A student cannot take an operations card out of the school.

Graduation and Diploma

Graduation Requirements: When a student has completed the (1) required clock hours, (2) theory hours, (3) practical operations, (4) senior project for his/her course of study with a grade of "C" (70%) or better, (5) passed final exams, (6) all tuition and fees have been paid in full, or made satisfactorily arrangements, and (7) graduation list has been fulfilled he/she will receive a diploma certifying his/her graduation of the appropriate course of study. In addition, the school may assist students in completing the necessary documents to file for the appropriate California Board of Barbering and Cosmetology Examination.

33 **Leave of Absence Policy ("LOA"):** Students may request a Leave of Absence (LOA) for reasons not limited to, illness, death in the family, or other emergency circumstances. A student must make a request following this institutions policy for an LOA in advance, and in writing outlining the circumstances, duration of leave, and documentation, unless unforeseen circumstances prevent the student from doing so. Request must be in writing, stating the reason of the request for the LOA, and have the student's signature. Written requests are reviewed on an individual basis and must be approved by the Financial Aid Officer. The institution may grant an LOA to a student who did not provide the request prior to the LOA due to unforeseen circumstances in which the institution will document the reason for its decision, collect the request form from the student at a later date, and the LOA start date will be the date the student originally was unable to attend.

A denial of an LOA request may occur if the Financial Aid Officer determines that the request has unrealistic expectations for return of the student. LOA requests for medical purposes require medical documentation. A LOA will not be granted if the LOA, together with additional LOAs previously granted, exceed a total of 180 calendar days in a 12-month period. A LOA may only be granted once the student has been enrolled for at least 90 days (3 months), unless mitigating circumstances exist. Students will not be assessed any additional charges as a result of an approved LOA.

A Student granted an LOA that meets this criteria is not considered to have withdrawn, and no refund calculation is required at that time.

The students contracted period will be extended by the same number of calendar days taken in the LOA. Changes will be initiated by both parties on the Enrollment Agreement, or an addendum to the enrollment agreement must be signed by all parties.

Failure To Return From a LOA: The student will be withdrawn if he/she takes an unapproved LOA or does not return by the expiration date of an approved leave of absence. The student's withdrawal date, for the purpose of calculating a refund will be the students last day of attendance. Students who have received Federal Student Loans must be made aware that failure to return from an approved LOA, depending on the length of the LOA, may have an adverse impact on the student's loan repayment schedule. Students will only be eligible for Federal Pell Grant while on LOA. Students will not be eligible for any of their student loans while on a LOA.

Federal Loan programs provide students with a grace period which delays the student obligation to begin repaying their loan debt for up to 6 months (180 days) from the last day of attendance. If a student takes a lengthy LOA and fails to return to school after its conclusion, some, or all of the grace period may be exhausted forcing the borrower to begin making payments immediately.

30 **Satisfactory Academic Progress Policy (SAP)**

STANDARDS: This institution expects all students to maintain Satisfactory Academic Progress (SAP) as established by this institution under the guidelines of the National Accrediting Commission of Career Arts and Sciences and the US Department of Education. Students receive notice of SAP prior to enrollment and is applied consistently to all students. To meet Satisfactory Academic Progress, **all** students must:

- 31
1. Maintain a cumulative academic average of “C” (70%) or better at the end of each of the evaluation periods.
 2. Maintain a cumulative average attendance level of 67% of the scheduled hours indicated on their enrollment contract at the end of each of the evaluation periods.

Complete the course within a maximum time frame of one and one-half (1.50) times the length of the course as stated in the enrollment agreement. Students who exceed the maximum time frame shall be terminated from the program. Students thereafter may be permitted to re-enroll in the program on a cash paying basis in a Manner consistent with the re-enrollment provisions of the institutions admissions policy.

3. Students meeting the minimum requirement for attendance and academic progress at any evaluation point will be considered to be making satisfactory progress until the next evaluation.
4. The Satisfactory Academic Progress is evaluated by actual hours completed.
5. Students returning from a Leave of Absence will have their contract period and maximum time frame extended by the number of days taken in the leave of absence.

Grading System: Students are evaluated on a regular basis on theory, practical/ clinical work. The evaluations are measured on a standard percentile basis and the percentage converted to a letter grade. Evaluation forms are issued to the students at the completion of actual clock hours as per the chart below. The evaluation form reflects the overall attendance and academic progress of the student. Students must maintain a “C” (70%) average to maintain satisfactory academic status in **both** their theory classes and practical applications. Students must maintain a cumulative average attendance level of 67% of the scheduled hours indicated on their enrollment contract at the end of each of the evaluation periods.

This grading system detailed above is the system utilized in the school combining **both** theory and practical applications. This is achieved by the quantitative and qualitative measuring of the theory and practice done by the student. Both are equally important to successful completion of the program and future licensure. **This applies to all students.**

Grading Criteria:

Average	100%-90%	89%-80%	79%-70%	69%-60%	below 60%
Letter Grade	A	B	C	D	F

Evaluation Periods

ABC’s academic year is 900 clock hours and 26 weeks. The institution will notify students of any evaluation that impacts the students eligibility for Financial Aid. **This applies to all students.**

Determination of Progress Status: The students meeting the minimum requirement for academic and attendance at the evaluation point are considered to be making satisfactory academic progress until the next scheduled evaluation. A student will receive a hard copy of their Satisfactory Academic Progress Determination at the time of each of the evaluations.

Students who do not achieve the minimum standards of Satisfactory Academic Progress are no longer eligible for Title IV funds, if applicable, unless the student is on warning or has prevailed upon appeal of the determination that has resulted in the status of probation. **This applies to all students.**

Warning Period: Students who fail to meet minimum requirements for satisfactory academic progress are placed on a warning status and considered to be making satisfactory academic progress during the warning period. The student will be advised in writing on the actions required to obtain Satisfactory Academic Progress by the next evaluation. If at the end of the warning period, the student has still not met both the attendance and academic requirements required for satisfactory academic progress he/she will be determined as NOT making satisfactory academic progress and will be deemed ineligible to receive Title IV funds. **This applies to all students.**

32 **Probation:** Students who fail to meet minimum requirements for attendance or academic progress during the warning period, or previous evaluation period will be placed on probation, and considered to be making satisfactory academic progress during the probationary period, if the student appeals the decision, and prevails upon appeal. Additionally, only students who have the ability to meet the Satisfactory Academic Progress Policy standards by the end of the evaluation period may be placed on probation. Students placed on an academic plan must be able to meet requirements set forth in the academic plan by the end of the next evaluation period. Students who are progressing according to their specific academic plan will be considered making Satisfactory Academic Progress. The student will be advised in writing of the actions required to attain satisfactory academic progress by the next evaluation. - A. For improving attendance the student must attend school additional hours beyond their scheduled hours (make-up hours).
 - B. For improving academic grades, a student can re-take a test and/or do additional extra credit assignments.
- Completing either A or B or both, will bring a student's Satisfactory Academic Progress status back to eligibility for financial aid. **This applies to all students.**

Interruptions, Course Incompletes, and Withdrawals: If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status as prior to the leave of absence. Hours elapsed during a leave of absence will extend the student's contract period and maximum time frame by the same number of days taken in the leave of absence and will not be included in the student's cumulative attendance percentage calculation. Students who withdraw prior to completion of the course and wish to re-enroll will return in the same satisfactory academic progress status as at the time of withdrawal. A Leave of Absence and/or failure to return from a Leave of Absence may affect your loan interest rates and/or repayment timeline. The student must submit a written appeal to the school on the designated form describing why they failed to meet satisfactory academic progress standards, along with supporting documentation of the reasons why the determination should be reversed. This information (documents) should include what has changed about the student's situation that will allow them to achieve Satisfactory Academic Progress by the next evaluation point. Appeal documents will be reviewed and a decision will be made and reported to the student within 30 calendar days. The appeal and decision documents will be retained in the student file. If the student prevails upon appeal, the satisfactory academic progress determination will be reversed and federal financial aid will be reinstated, if applicable. **This applies to all students.**

TUITION AND FEES POLICY

As of 01/01/15, ABC charges the full tuition, which is discussed individually in the admissions and financial aid process. A registration fee is charged prior to the start of the course. Books, equipment and supplies are a separate charge that will be assessed and posted in the student's tuition account within the first payment period. Please refer to "payment period definition."

Textbooks, Equipment and Supplies: The MILADY, CIMA Interactive Learning Platform, and Course Study Guide will be used for students' theory and practical studies. A complete kit for each course may be purchased by the student from the school. Students are required to maintain their own kit supplies and equipment necessary for a successful completion of any course of study. It is the student's responsibility to replace any lost or broken articles in the kit. The school is not responsible for any student equipment that is lost, stolen or broken.

Due to sanitary reasons, the equipment once issued and accepted by the student, is not returnable to the school for any reason. The kit contents, therefore, becomes the property and responsibility of the student. The books, equipment and supplies are not returnable once issued due to the sanitary condition upon arrival.

Methods of Payment: Federal student aid is available to those that qualify to cover educational expenses. Financial aid may be in a form of a grant (no repayment required), or student loans. Cash paying students may arrange an individualized payment plan that is agreed upon signing of an enrollment agreement with the Institution.

Note: Should a student complete the program earlier than the estimated time frame stated in the contract, the student's financial aid package may be recalculated which may result in liabilities owed by the student and/or the institution, if applicable.

Request for School Paperwork

Students requesting copies of any paperwork from the school, will be charged a \$50.00 processing fee. This request will be made available within a reasonable amount of time and given to the student after the fee has been paid. This processing fee is subject to change at the discretion of ABC at any time.

27 ABC Offers:

Federal Pell Grants, Federal SEOG, Direct loan subsidized, unsubsidized and Plus Loans

Students are expected to contribute from their own family resources toward the complete cost of the selected course of study if they do not qualify or take advantage of student loans. It is the policy of this institution to request from the student tuition fees by making monthly and or weekly installments in accordance to individual contracts. **Students may be subject to a \$25 monthly/weekly penalty charge for any late payments or non-payments that the student did not fulfill.** Additionally, ABC may request that a student not return to their course of study until all payments including late fees are up-to-date. These penalty charges are subject to change at any time at the discretion of ABC.

All estimates of available funds from financial aid will be first used to cover institutional charges; if funds remain available, they will be disbursed directly to the student. The entire educational expense must be included and considered in planning the student's ability to meet all school expenses.

For further financial aid information, please see the financial aid officer or administrator

NOTE:

- 28 If a student obtains and accepts a student loan to pay for an education program, the student will be responsible to repay the full amount of the loan plus interest, less any amount of any refund. If student has received federal student financial aid funds, the student is entitled to a refund of the moneys not paid from federal student financial aid program funds.**

REFUND POLICY:

This refund policy applies to all terminations for any reason, by either party, including student decision, course or program cancellation, or school closure.

STUDENT'S RIGHT TO CANCEL:

You have the right to cancel your agreement for a program of instruction and receive a full refund through attendance at the first class session, or the seventh calendar day after enrollment, whichever is later.

1. After the end of the cancellation period, you also have the right to stop school at any time; and you have the right to receive a pro-rata refund if you have completed sixty (60) percent or less of the program. Changes to programs, i.e. Drops and/or Adds, can only be made during the first 7 calendar days of the program.
 2. Cancellation may occur when the student provides a written notice of cancellation to **American Beauty College 646 S. Sunset Ave. West Covina , CA 91790**. This can be submitted by mail, FAX, email, or by hand delivery.
 3. The cancellation date will be determined by the postmark on the written notification, or the date the written notification is delivered to American Beauty College in person.
 4. The written notice of cancellation need not take any particular form , and however expressed, it is effective if it shows that the student no longer wishes to be bound by the Enrollment Agreement.
 5. If the Enrollment Agreement is canceled, within 45 days after the notice of cancellation is received, American Beauty College will refund the student any money he/she paid, less a registration or administration fee not to exceed \$150.00, and less any deduction for equipment that the student has received and signed for.
- REMEMBER THAT YOU MUST CANCEL IN WRITING. Students do not have the right to cancel by telephoning, or not coming to class.**

The student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session (**first day of classes**)(_____), or the seventh day after enrollment (**seven days from the date when enrollment agreement was signed**) (), whichever is later.

A registration fee of **\$ 100.00 is a non- refundable item**. Equipment, books, supplies, tools, uniforms, kits and any other items **issued and received by the student** would not be returnable. **Once received** by the student it will belong to the student and will represent a liability to the student.

WITHDRAWAL FROM THE PROGRAM:

You may withdraw from American Beauty College at any time after the cancellation period (described above) and receive a pro-rata refund within 45 days of withdrawal if you have completed 60 percent or less of the period of attendance, based on scheduled hours. American Beauty College will refund the student any money he/she paid, less a registration or administration fee not to exceed \$150.00, and less any deduction for equipment that the student has received and signed for.

For the purpose of determining a refund under this section, a student shall be deemed to have withdrawn from a program when the following occurs:

- The student notifies the institution of the student's withdrawal in writing.
- The institution terminates the student's enrollment for failure to maintain satisfactory progress; failure to abide by the rules and regulations of the institution; absence in excess of maximum set forth by the institution; and/or failure to meet financial obligations to American Beauty College.
- The student has failed to attend class for fourteen (14) calendar days, as determined by monitoring clock hour attendance at least every thirty (30) days.
- Failure to return from a leave of absence. The date of the student's withdrawal shall be the earlier of the scheduled date of return from the leave of absence, or the date the student notifies the institution that the student will not be returning.

All refunds are calculated based on the student's last date of attendance.

For students who enroll and begin classes, but withdraw prior to course completion (after seven business days of signing the contract), the following schedule of tuition earned by the school applies. All refunds are based on scheduled hours:

Percent of Scheduled Time Enrolled to Total Program

0.01% to 60%
60.01% and over

Total Tuition School Shall Retain

Prorated based on percentage of scheduled attendance

HYPOTHETICAL REFUND EXAMPLE ACCORDING TO THE STATE PRORATA POLICY:

Assume that a student, upon enrollment in a 1,600 hour course, pays \$6,800.00 for tuition, \$75.00 for registration, and \$525.00, (documented cost to the school) for equipment as specified in the enrollment agreement, and withdraws after 600 hours into the course (this includes class days not attended by the student) without returning (due to sanitary reasons) the equipment he/she obtained. The pro-rata refund to the student would be \$4,250.00 based on the calculation stated below:

Total Paid:	\$7,400.00	Tuition Cost:	\$6,800.0	Paid for Instruction:	\$6,800.00
Less registration fee (non-refundable):	\$75.00	Hours in the course:	1,600	Hours attended:	600
Less cost of non- returnable equipment:	\$525.00	Hourly Charge:	\$4.25	Tuition owed: 600 X \$4.25	\$2,550.00
Equal amount paid for instruction:	\$6,800.00			Refund due:	\$4,250.00

Determination of Withdrawal from School: The withdrawal date shall be the last date of recorded attendance. The student would be determined to have withdrawn from school on the earliest of:

The date you notify the Financial Aid Office of your intent to withdraw. Only the Financial Aid Office would be authorized to accept a notification of your intent to withdraw.

The date the school terminates your enrollment due to academic failure or for violation of its rules and policies stated in the catalog.

The date you fail to attend classes for a two-week period (14 calendar days) and fail to inform the school that you are not withdrawing.

For California Schools: If you are absent for three consecutive weeks and are not on an approved leave of absence, you will be deemed a withdrawal even though you have indicated that you were not withdrawing.

The date you failed to return as scheduled from an approved leave of absence. The withdrawal date shall be the last date of recorded attendance.

For students on an approved LOA, the date of the determination of withdrawal will be the scheduled date of return from LOA.

Return of Title IV Funds: This formula determines the percentage of time that the student completed of the payment period or enrollment period in a course at the time of the student’s withdrawal. This percentage is then applied to the amount of Federal Funds from the Title IV programs that the student received or could have received in the same payment period or enrollment period. The result of this calculation is defined as earned funds. If the student received more than the earned amount, the over payment is called unearned funds and must be returned to the programs in the following order:

1. Unsubsidized Loans from FFELP or Direct Loan
2. Subsidized Loans from FFELP or Direct Loan
3. Perkins Loans
4. PLUS (Graduate Students) FFELP or Direct Loan
5. PLUS (Parent) FFELP or Direct Loan
6. Pell Grant
7. Academic Competitiveness Grant (ACG)
8. National SMART Grant
9. Federal SEOG
10. Other

If the calculation shows that the student owes funds to the loan programs, the repayment of those funds will be in accordance to the terms on the promissory note of the respective loans.

If the calculation shows that the student owes funds to the grant programs, the liability of the student is limited to the amount by which the original grant over payment amount exceeds half of the total Title IV grant funds received by student. A student does not have to repay a grant over payment of \$50 or less per program.

These funds are due from the student within 45 days. If not paid in that time and if the student has not made arrangements with the Department to pay that amount, the student will be referred to NSLDS, a central system that will show the student ineligible for aid until the matter is taken care of by the student.

NOTE: If the institution was required by this calculation to return to the programs some of the funds it has collected as tuition payment, the student’s tuition account would be adjusted accordingly. Therefore, if the tuition was paid in full, but if the institution returned funds to the programs, the tuition account will show that the student owes that amount returned by the institution to the programs. Those refunds will be paid to the program funds in accordance to the order listed above, limited to the amount of funds that came from each aid program within 45 calendar days from the determination of withdrawal from school date.

Post Withdrawal Disbursement: If the calculation shows that the student received less aid than what the student earned within the payment period or enrollment period, then the student would be notified by the institution of the amount of Grant

funds used to cover institutional charges incurred by the student, or the available amount from Grant funds for direct disbursement to the student for other educational related expenses. If loan funds are involved in this calculation, the institution will notify the student or parent of the loan amount it wishes to utilize to cover educational charges, the financial aid program where the funds are coming from and the student will be reminded of the responsibilities involved in receiving loan funds. The student or parent in the case of PLUS will be given 14 days to respond and accept or reject part or all of the loan funds available. The institution will honor late acceptances only at the institutional discretion.

Once this calculation is finalized, the institution will then perform a second and different calculation using the net funds retained (original tuition payments minus amounts refunded) to determine the amount of institutional charges earned by the

institution during the payment or enrollment period. That calculation is known as the institutional refund policy calculation.

If any portion of the tuition was paid from the proceeds of a loan or third party, the refund shall be sent to the lender, third party or, if appropriate, to the state or federal agency that guaranteed or re insured the loan. Any amount of the refund in excess of the unpaid balance of the loan shall be first used to repay any student financial aid programs from which the student received benefits, in proportion to the amount of benefits received, and any remaining amount shall be paid to the student.

If a course is canceled subsequent to a student's enrollment, and before instruction in the course has begun, the school shall provide a full refund of all monies paid.

If the school cancels a program and ceases to offer instruction after students have enrolled, and instruction has begun, the school shall at its option:

- Provide a pro-rata refund for all students transferring to another school based on the hours accepted by the receiving school; or
- Provide completion of the program; or
- Participate in a Teach-Out Agreement; or
- Provide a full refund of all monies paid

In the event the school closes permanently and ceases to offer instruction after students have enrolled, and instruction has begun, the school will make arrangements for students to attend an alternate institution through participation in a Teach-Out Agreement. Should the student elect not to attend the alternate institution, a pro-rata refund of tuition will be made in accordance with the refund policy outlined above. Any monies due are refunded within 45 days. When situations of mitigating circumstances are in evidence, the school may adopt a policy wherein the refund to the student may exceed the minimum requirements.

Accrediting Commission Formula:

This institution is required to follow the California State refund formula in calculating refunds. Therefore, since the calculations under the state refund

policy results at all times more favorable to the student than the calculations under the accrediting commission refund policy formula, the accrediting

commission refund policy formula is not followed by this institution.

The order of payment of refunds is, 1) Un subsidized Loans from FFELP or Direct Loan, 2) Subsidized Loans from FFELP or Direct Loan, 3) Perkins Loans, 4) PLUS (Graduate Students) FFELP or Direct Loan, 5) PLUS (Parent) FFELP or Direct Loan, 6) Pell Grant, 7) Academic Competitiveness Grant (ACG), 8) National SMART Grant, 9) Federal SEOG, 10) Other. This order would apply in accordance to the aid programs available at the institution.

General Information: If you wish to apply for financial aid or you have questions, or you need sections of the handbook clarified, contact the financial aid office at the school. Additional information regarding the student aid programs available may be found in “The Student Guide” and the “Free Application for Federal Student Aid” published by the U.S. Department of Education. Additional information may be obtained by calling the Federal Student Aid Information Center between 9:00am and 5:00pm (Eastern Time) Monday through Friday (800) 433-3243. or at <http://federalstudentaid.ed.gov>

Compliance Statement: The Federal Privacy Act of 1974 requires that students be notified that the disclosure of his/her social security number is mandatory. The social security number is used to verify students’ identities, to process the awarding of funds, the collection of funds, and the tracing of individuals who have borrowed funds from federal, state or private programs.

Financial Aid Mechanism: Financial aid is a mechanism that reduces out-of-pocket costs that the student and/or parents must pay to obtain a specific post-secondary education. Presented differently, financial aid is money made available to help students meet the cost of college attendance. Financial aid includes grants and loans. Grants do not have to be repaid. Loans usually have low interest rates and a student must repay in accordance to the individual loan program terms. Most of the loans can be arranged to require payment after a grace period of several months upon graduation, or upon the student’s termination from the program or if a student’s attendance falls below half time. Financial aid is awarded to students who have “need”.

Need is the difference between the amount of money that the family will be expected to contribute to meet student costs and the cost of education at this school.

The U.S. Department of Education Title IV Student Financial Aid Programs: ABC is approved for, and does participate in the following USDE Title IV programs intended to defray the costs of attending for those students eligible for financial aid considerations:

Federal PELL Grant Program (FPELL)

Federal Supplemental Educational Opportunity Grant

Program (FSEOG)

Federal Direct Loan

Application for Aid, Procedures and Forms: A financial aid application for this institution consists of the following:

Free Application for Federal Student Aid (FAFSA) this form needs to be completed as instructed on the form.

Documentation to substantiate the data entered on the form may be required by the financial aid office. Forms and assistance in completing them are available at this school during school hours.

Federal Pell Grant Program: Funds received under this program are not subject to repayment from the student.

Deadline: FAFSA applications must be received by June 30 in the year on which the application is intended for. SAR or ISIR must be submitted to the financial aid office by September 30, of the award year from which aid is requested from, or your last day of enrollment in 2018-19, whichever comes first. A valid ISIR requires signatures of student, spouse and/or parents, when the ISIR has been corrected.

Renewal Process: A FPELL Grant award receive for one award year (July 1 to June 30 of the following year), and it is not automatically renewed for the next award year. Students must re-apply for the FPELL Grant and submit a copy of the new SAR or ISIR to the financial aid office.

Disbursement: They are made based on per payment period via a check payable to the student or via a direct credit to the student’s tuition account.

Federal Supplemental Educational Opportunity Grant (FSEOG): Funds received under this program are not subject to repayment from the student.

Deadline: You may apply during the enrollment process, using the FAFSA form. The school will provide you a letter listing the amount and types of financial aid you will be awarded, including the FSEOG award.

Disbursement: Made based on per payment period via a check payable to the student or via a direct credit to the student’s tuition account. Priority for FSEOG funds will be given to students eligible for Pell Grant. This institution has a year-round enrollment. Therefore, funds will be awarded in a manner that funds would be available to students enrolling throughout the entire year. If SEOG funds still available, a second priority will be given to Non Pell recipient students with the lowest Expected Family contributions enrolled during the last three months.

Direct Loan: Accepting a loan listed in the award letter involves some additional steps, which vary depending on the type of loan you’re receiving. Saying yes is as simple as signing a promissory note (a contract between you and the U.S. Department of Education (USDE) that specifies terms and conditions of the loan). By signing the promissory note, you are promising to repay your student loan. The financial aid office will guide you through the paperwork or direct you to www.studentloans.gov to sign the online Master Promissory Note (MPN). The MPN is a legal document in which the borrower promises to repay the loan and any accrued interest and fees to the U.S. Department of Education. The MPN can cover multiple academic years. Contact the financial aid administrator at your school if you need more information or have any questions about your award letter. For additional information on Federal Financial Aid programs, request “The Student Guide” published by USDE.

Determining Need: The information you report on the FAFSA form when you apply for aid is used in a formula established by U.S. Congress that calculated your Expected Family Contribution. Utilizes the Free Application for Federal Student Aid (FAFSA) a contractor of the U.S. Department of Education at no cost will process this form to the student. The results will be provided in the form of an Electronic Student Aid Report with the calculation of the Expected Family Contribution.

The **SELF-HELP CONCEPT** lists types of financial assistance in the following order:
